

IntelliSkin™ with GDS™ Technology - User Guide

For a video demonstration of your specific IntelliSkin™, visit www.rrammount.com and search for the Product ID of your IntelliSkin™.

***Recommended:** Attach or remove IntelliSkin™ when at room temperature.

To Attach IntelliSkin™:

1. Locate **Inside Charging Connector** of your IntelliSkin™. Align your device with IntelliSkin™ with **Power Port** on same side as **Inside Charging Connector**.

2. Insert bottom corners of your device into the center of IntelliSkin™ lengthwise, wrapping edges of IntelliSkin™ in front of the device.

3. **Caution:** Carefully connect **Inside Charging Connector** to your device in a straight and even motion. Once the charging connector is fully engaged, continue to wrap and stretch remaining IntelliSkin™ edges over your device.

Once attached, test IntelliSkin™ with device on any GDS™ Dock. When dock is plugged in, IntelliSkin™ should relay power to your device within two seconds.

To Remove IntelliSkin™:

1. Locate **Inside Charging Connector** of IntelliSkin™, which will be located inside the **Visible Protrusion** of the IntelliSkin™. If your IntelliSkin™ has **No Protrusion**, it will be located in the same place as the outside docking contacts.

Visible Protrusion:
Charging Connector
located here

No Protrusion:
Charging Connector
located here.

2. On the opposite side of the **Inside Charging Connector**, select the corner closest to the device's buttons and other ports. Starting with this corner, slowly peel the IntelliSkin™ away from your device.

**Opposite side of Inside
Charging Connector, corner
with most buttons/ports**

**Slowly peel
from this corner**

3. Continue peeling towards the closest adjacent corner. Once two corners are fully exposed, slide your device straight away from the **Inside Charging Connector** from the opposite side.

4. Once disconnected from Inside Charging Connector, continue peeling remaining IntelliSkin™ edges from your device to fully remove.

Warranty Information

3 Year Warranty on all IntelliSkin™ products

The exclusive NPI Lifetime Warranty states that all IntelliSkin™ products are warranted against defect in materials and workmanship for the life of the product or part. NPI's Lifetime Warranty covers the product or its components only. The mounted device and GDS™ Docking Station is not covered under the Lifetime Warranty and will not be replaced if damaged as a result of mount failure. This warranty is expressly limited to persons in the United States, and all foreign countries who purchase IntelliSkin™ for resale or use in the ordinary course of the buyer's business. This warranty does not cover any product or part that has been abused, worn out, heated, ground or otherwise altered, used for a purpose other than that for which it was intended, or used in a manner inconsistent with any instructions regarding its use.

Get the most out of your IntelliSkin™ with GDS™ Technology
